You are invited...

To participate on a return mission trip sponsored by Aldersgate United Methodist Church, as we travel to YUGO Ministries in Ensenada, Mexico in Baja California. YUGO is a community of believers from all over the world who are passionate about inviting the Church to come and join them, as together, they build sustainable change for families in Mexico.

What is YUGO Ministries?

.YUGO Ministries Inc. exists so that lives are transformed by Jesus Christ in Mexico and the World. YUGO is an evangelistic, Christian, missions organization, led by the Lord Jesus Christ. The ministry consists of many missionaries and their families of which one is our own **Adam & Melissa Williford and their beautiful family**. Aldersgate experienced its first mission trip there in 2017 where team members (along with the help of staff and local residents) constructed a small home for a local family who were without a place to live—all arranged through YUGO and the local church.

Our Missionary Hosts
