Northside Christian School admits students of any race, and national or ethnic origin.

WHAT IS NORTHSIDE CHRISTIAN SCHOOL?

Northside Christian School was established in 1980 after several years of prayerful consideration. Recognizing the tremendous responsibility to the parents, their children, and the community, which this lays upon us, we have, nevertheless, accepted this responsibility with definite direction from our Lord. Northside Christian School will provide students in the Acadiana area the opportunity to receive a quality education in a Christ-centered environment. Each student enjoys warm personal contact with a spirit-filled Christian teacher in a normal classroom setting. The ABEKA text books are written by Christian educators and are Christ-centered and patriotic. There is a distinct emphasis on patriotism and character training. Classes meet in a modern, air-conditioned, carpeted building. We believe a Christian school is an extension of the Christian home in training young people for time and eternity.
