- All orders and payments should be received no later than noon on Tuesday. Orders will be placed on Tuesday evenings and will be available for pickup on Sunday. You may pick up Sunday morning at the Scrip Table or make arrangements for your child to pick them up at large group.
NOTE Generally orders are placed weekly, but due to shipping costs orders may need to accumulate an extra week. If cards are definitely needed, please inform us so that we can contact you if an order will not be placed.
- Currently we can only accept cash or check for payment. Credit/debit cards cannot be taken for payment due to the fees charged.. we lose too much profit.
- Youth families will be credited with 90% of the profit received, and the youth ministry general fund will receive 10%. Percentages are subject to change with notice.
- Funds credited to your family may be used for any fees for any youth activities. Funds accumulate and can be used in the current year or in future years for any children in your family. Once all youth in your family graduate, any remaining funds will transfer to the youth ministry general fund.
- Cutoff date of January 31 exists for accumulating credit to be used in the given year. All monies will be reconciled and be applied at that time to summer mission trip or carried forward to the following year.
- Cards purchased from inventory at the table can be credited to your account under the following conditions:
 - You have a member account by previously registering online with www.scripzone.com
 - You fill out an order form with cards purchased, and sign received.
