For the last 12 months the Facility Analysis Team, excellently led by Justin Aday, has carefully and prayerfully examined our current facilities and future needs. Their report has been unanimously approved by our Church Leadership Council, Deacons and Finance Committee. This Sunday we will share the report with our FBC family for your approval and support.

Facility Analysis Team Recommendations

Property Acquisition

- Mendelsohn Building Purchase – approved by FBC. Task accomplished in February 2018.
- The Rudder Parking Lot should remain a top priority for FBC because of its proximity to current FBC properties

Education Space

- Renovate 5th and 6th floors of Main Building
- Relocate Single Adults from 6th Floor Main to current Senior Adult Center

Huff Community Ministries Building

- Raze entire Huff Community Ministries Building
- Preserve historical elements of building where possible
- Construct a functional Caring Center facility and FBC storage facility with much smaller footprint (15,000 – 25,000 square feet) than current Huff Building

Miscellaneous

- Renovate Miller Building
- Relocate FBC Media Center
- Renovate current Media Center space to become welcome center, coffee shop, prayer room
- Encourage enhanced use of FBC Kitchen

Other

- Appoint committees through the Church Leadership Council as needed to accomplish tasks
