and Prayer Guide

Message from Our Pastor

God designed His Church not to function as a fort but as a FACTORY! While a fort protects, a factory produces. We are called by God to produce Christ-like disciples who faithfully represent Jesus in our world. We are called to be “salt” and “light” which means we must engage the decay and darkness of the world and join King Jesus in His mission to rescue perishing people (Matthew 28:19-20).

At First Baptist Montgomery, we are seeking to operate as God’s Mission Factory by following Christ’s prescribed strategy in Acts 1:6-8 of sharing the transforming truth of the Gospel from our neighborhoods to the nations. We are convinced that everyone should participate in God’s Great Commission mandate and experience the joy of serving the eternal purposes of King Jesus (1 Peter 4:10).

With this missions guide in hand, now is the time to prayerfully connect your gifts to God’s specific assignment (Isaiah 6:8)! As you consider how God wants to use you, remember that Christ is the only cure for perishing people. Christ felt deep love for the hurting multitudes and He told His disciples, “The harvest is plentiful, but the laborers are few. Therefore, PRAY to the Lord of the harvest to send out workers into His harvest.” (Matthew 9:37-38)

Jesus commands His children to participate in HIS HARVEST through the mighty instrument of intercessory prayer. Beloved, prayer is not a substitute for action but it is the action for which there is no substitute. Use the Lord’s teaching on prayer in Luke 11 to faithfully, consistently, and intentionally enter God’s presence. “Ask, seek and knock” for the salvation of the lost from Montgomery to Manchuria. Then be keenly aware that the Lord of the Harvest may call YOU to be part of the answer to your prayers!

With great appreciation, anticipation and intercession,

Jay Wolf | Pastor

Message from Our Minister of Missions

The mission projects contained within this booklet describe many ways God is leading us to make an eternal difference for the Kingdom. These mission expeditions represent many local opportunities as well as opportunities around the globe. What you hold in your hand is an opportunity to come alongside God and join Him in His work from the neighborhoods to the nations. How will you be involved in serving the Lord in 2018 and how will He use you and this church to make His name known?

As you read through and consider the various mission opportunities described, remember everything we do is built on a strong foundation of prayer. Prayer is not part of our strategy, prayer IS our strategy. In 1 Timothy 2:1, Paul instructed Timothy saying “I urge, then, first of all, that petitions, prayers, intercession and thanksgiving be made for all people.” When we pray, we gain access to the most powerful means of effecting change in people’s hearts, the Holy Spirit. As we are encouraged to take on the full armor of God, we are also encouraged to “pray in the Spirit on all occasions with all kinds of prayers and requests.” (Ephesians 6:18)

Please take this Missions Menu and Prayer Guide and use it throughout the year to pray for mission expeditions. I love John 15:7: “If you remain in me, and my words remain in you, ask whatever you wish, and it will be done for you.” Those are powerful and amazing words. Our goal through this guide is to encourage you to remain in Jesus and in His Word. Use the scriptures attached to specific prayer points to pray God’s Word over these mission projects and together let’s step back and watch as He moves in a powerful way.

Thanks in Christ,

Brian Gay | Minister of Missions
