*Early Learners must be fully potty-trained.

To enroll complete our online registration at
www.grabillmissionary.org
 on the Early Learning Center page.

*By the grace God has given me, I laid a foundation as an expert builder, and someone else is building on it. But each one should be careful how he builds. For no one can lay any foundation other than the one already laid, which is Jesus Christ.
 ~1 Corinthians 3:10-11~*

Early Learning Center

Laying a foundation on Christ

Our Mission...

Provide a well-rounded, Bible-based preschool education.

Developmental Areas of Growth

We offer a wide variety of opportunities for growth and development. These opportunities encourage growth and promote interest in learning. These are provided in a safe atmosphere of love, with concern for each individual.

EMOTIONAL DEVELOPMENT

Our small classroom setting creates an atmosphere which allows each child to feel a sense of security and closeness with teachers and other children. Experiences are directed toward a positive self-image, stressing that we are God's children, He made us and He loves us.

MENTAL DEVELOPMENT

Through a variety of methods and hands-on experiences, the children are given the opportunity to participate in readiness skills.

Children are encouraged to develop and learn at their own pace. Our curriculum provides for learning in areas of language, math, science, music, art and socialization.

PHYSICAL DEVELOPMENT

Art and recreational activities are designed to start development of both large and small motor skills. Our play equipment outdoors and in the gym is designed for muscular development and coordination. Each age level has a Motor Skills class each week, as well as times interwoven into their day that develop these skills.

SOCIAL DEVELOPMENT

Children are encouraged in social skills and are given opportunities to develop, in work time and play time, good relationships with their

peers. They have the opportunity to build relationships with adults who model a Christian lifestyle and

show God's love each day through direct teaching and all other school activities.

SPIRITUAL DEVELOPMENT

We believe that the spiritual development of children should be woven into each activity, lesson, and relationship. Children will learn that God both loves them and desires

that they love Him. Through Bible stories, songs, and daily application,

they will begin learning Christian principles that will lay a foundation for a strong relationship with Christ.
